

# WATER TAP/NEW METER APPLICATION

AN ORDINANCE AMENDING THE CODE OF ORDINANCES OF THE CITY OF FRITCH CHAPTER 13  
UTILITIES SECTION 13.04.003 WATER TAPPING RATES.

## ORDINANCE NO. 566 ARTICLE 13.04 RATES AND CHARGES

The tapping charges for connections to any city main or lateral water line shall be as follows:

1. ¾-inch connections: \$ 799.00
2. 1-inch connections: \$ 995.00
3. 2-inch connections: \$ 2,175.00
- 4 For 3-in and above: Actual Cost

The above charges are for up to 20 feet for the connection. After 20 feet, the customer pays the cost.

City of Fritch Public Works Department, solely, is authorized to plug abandoned taps. Any person seeking a tap abandonment will be charged a fee regardless of size and said fee is due in advance of the work being performed, as follows:

1. For ¾ and 1-inch abandonments, \$300.00
2. For 2-inch and above, \$600.00

Note: "Actual Cost" means all costs to the city, based on City's cost for materials, labor, and equipment."  
(Ordinance 566, adopted 10/17/2017)

Outside City Limit Customers Only, must provide a copy of a Septic Service Permit if property has no existing septic and is going to have one installed, or if the property has an existing septic tank, the Customer will then need to provide the latest copy of a Septic Tank Inspection to THE CITY OF FRITCH within (30) days from the date of this application. Failure to do so could possibly delay and could lead up to termination of water services.

To all Water Customers planning new construction and or remodeling; Texas Commission on Environmental Quality Customer Service Inspection Certificate Form TCEQ-20699. The form must be printed and signed by the Inspector that performed the work. The hardcopy original or a copy must be provided to the City of Fritch (PWS) for record keeping purposes as specified in 30 TAC §290.46(f)(3)(E)(iv). The purpose of form TCEQ-20699 is to certify the identification and prevention of cross connections, potential contaminant hazards, and illegal lead materials as per Title 30 of the Texas Administrative Code (30 TAC) 290.46(j)(4). Failure to do so could possibly delay and could lead up to termination of water services.
